

On October 4, 2017, the Memorial School Building Committee, our Owner's Project Manager Dore & Whittier, and our Designer JCJ will be hosting two community meetings to discuss the Memorial School Building Feasibility Study. Two sessions are planned for that day and residents from both Manchester and Essex are invited to come learn more about the need for a renovated/rebuilt Memorial School; the Massachusetts School Building Authority and its processes; a timeline; and where you can learn about and follow the project as it progresses. Tours of the building will be available at both sessions.
