

**Conomo Point Planning Committee**

**Presentations on Land Use Options at Northern Conomo Point**

**Saturday November 16, 2013 9:00 AM to 12:30 pm**

**Essex Elementary School**

The Conomo Point Planning Committee is hosting this forum to provide a venue for residents and other interested parties to make presentations for land use options at Northern Conomo Point. Those wishing to make presentations should note the following:

Presentations will be fifteen minutes in length.

There will be a laptop and projection unit available. Files, such as PowerPoint presentations, must be provided by participants on USB accessible devices and must be compatible with Microsoft Windows.

Presentations should be forward looking and not a revisiting of historical issues.

There will be a moderated question and answer period following each presentation.

A brief write up identifying presenters and a conceptual overview of the presentation content must be provided to the Town Administrator by 10:00 a.m. on Wednesday, November 13, 2013 in order to be included on the agenda (bzubricki@essexma.org).

Presenters are free to reference previous design work from Brown Sardina and Taintor and Associates found at [www.essexma.org](http://www.essexma.org).

Presentations and accompanying minutes will be posted on the Town website.

Plans and proposals may be submitted without presentations and every effort will be made to post those on the Town Website.
