

Title 5 Septic System Inspectors Commonly Working in Essex

Below is a list, in no particular order, of MA Department of Environmental Protection (DEP) approved Title 5 System Inspectors who either reside locally or have done work in town.

The Essex Board of Health does not make recommendations.

This list is strictly for your convenience. You may use anyone approved by MA DEP.

A full list of approved inspectors is available at:

<http://www.neiwpcc.org/training/title5approved.asp>.
