

PLANNING FOR REALITY SERIES: **ESSEX**

WWW.TOWNGREEN2025.ORG

Join our **FREE** Climate Awareness Education Programs

ONLINE

TUESDAY
SEP 26
6:30-8:30 PM

Webinar 1: Essex, MA

A discussion on the sea level rise & climate change impacts on Essex road infrastructure

There will be a panel including [Professor Charles Waldheim](#), [Dr. Jayne Knott](#), and [Essex Police Chief Paul Francis](#) who will understand how climate change and sea level rise will impact the town's roads, bridges, and related infrastructure. Special attention will be given to likely scenarios on the Rte 133 Causeway and Apple Street.
