

Essex Conservation Commission

November 21, 1995

Present: David Folsom, Chairman, Edwin Perkins, Peter  
Perrigo, Thomas Prentiss, Arthur Hodges (7:45 p.m.).

Meeting called to order at 7:40 p.m.

Barry Richards indicated to the Board he was not ready to submit a building permit application to them for the construction of a single family dwelling on Belcher Street, property presently owned by Dennis Outwater. He noted there were outstanding issues with the Planning Board regarding the removal of stones from a wall in front of the property - Belcher Street is designated a scenic way.

Perkins moved to accept the Minutes of meetings for August 29, 1995, September 19, 1995, October 3, 1995, and October 17, 1995, as read. The motion was seconded by Perrigo. The Board unanimously approved accepting the Minutes of August 29, September 19, and October 3. Folsom, Perkins and Perrigo approved accepting the Minutes of October 17, with Prentiss voting present.

Perkins moved to adjourn the meeting, seconded by Prentiss, with the Board voting unanimously in favor.

Meeting adjourned at 7:45 p.m.
