## We asked you to develop goals

**AND: Work with Town officials to collect available baseline data in key areas**

- At our next meeting in late June – we will be taking our first crack at developing measurable goals across our main issue areas: town ops/facilities; economic development; transportation, nat/his/rec resources; housing; and community services
- In advance of that meeting, all SPC members are asked to come prepared with 2-3 goal proposals in each issue area. At the beginning of the session they will be asked to write them and then the discussion will go from there
- On the goals we want to phrase them in a measurable , time sensitive way:

*Increase X from \_\_\_ to \_\_\_ by 20\_\_*

***Even if you don't have the data – take a crack at what the goals could be and the data can be filled in later***

- Conomo Point Plan
- Comprehensive Plan
- Village Initiative Plan
- Open Space Plan
- Town Landing Improvement Plan
- Downtown Boardwalk Feasibility Study
- Capital Plans
- Town of Essex Community Development Strategy
- Hazard Mitigation Plan
- Comprehensive Emergency Management Plan
- Continuity of Operations Plan
- **LONG TERM PLANNING COMMITTEE REPORT**
- **PUBLIC SAFETY COMMITTEE REPORT**

## Developing Measurable Goals

Town ops, facilities	Economic Dev	Transportation	Nat/his/rec res	Housing	Comm services
-------------------------	--------------	----------------	-----------------	---------	---------------

*We asked SPC members to develop 2-3 outcome-oriented, measurable goals in each of these areas. They could read like:*

*Increase X from \_\_\_ to \_\_\_ by 20\_\_*

*Even if you don't have the data –  
take a crack at what the goals could  
be and the data can be filled in later*

## Next Steps/Homework

- **Next workshop(s) – the weeks of July 13<sup>th</sup>, 20<sup>th</sup>**
- **Further develop and refine goals, provide comments on those already suggested**
- **Get underlying baseline data for goals**
- **Start to consider action steps for each goal to be achieved**
