ARTICLE 14

To see if the Town will vote to amend Section 6-16 of the Town's Zoning Bylaws, Temporary Moratorium on Business and Industrial Conversions, as shown below, with additions in **bold** and deletions in ~~strike through~~, with said amendments being for the purpose of extending the moratorium, which was adopted at the Annual Town Meeting on May 21, 2021, for approximately seven months to January 1, 2024, so that the Town's land use planning consultant can obtain grant funds necessary to complete its work and present its findings and

recommendations to Town officials, who may then develop proposed zoning bylaw amendments for consideration by Town Meeting; or take any other action relative thereto.

6-16 TEMPORARY MORATORIUM ON BUSINESS AND INDUSTRIAL CONVERSIONS

No building permit shall be issued for any work and no use shall be made of land that results in a change in use from residential, open space, or vacant lot to Business, Industrial A, or Industrial B use on any land located in the Town of Essex ~~for a period of two years from the effective date of this bylaw~~ **until January 1, 2024**; provided, however, that this bylaw shall not apply in the newly-created Essex Downtown Zoning District, to any work in connection with adding a home occupation to a new or existing residential use, or to any change in use from an existing business or industrial use to another type of business or industrial use. During the moratorium period, the Planning Board, Board of Selectmen and other Town officials shall review and address the impacts of current, impending and potential business and industrial developments and they shall develop a plan to mitigate future impacts of such developments on the general health, safety, welfare and quality of life of the residents of the Town of Essex, which may include but not be limited to the presentation of suggested bylaw amendments to a future town meeting. The purpose of this bylaw is to temporarily slow the rate of business and industrial development in the Town so that there can be an opportunity to study the impacts of such development and determine how to best address it in the future. The Town of Essex is relatively unique insofar as it does not have traditional zoning districts such as residential, business, agricultural, or industrial and it does not have a use table in its zoning bylaws. While the Town has primarily been a rural residential community, in recent years there has been more interest in bringing business and industrial enterprises to the Town. While Town officials are in favor of growing the Town's business and industrial base, new business and industrial enterprises are not always in harmony with existing residential uses. This has led to an increase in complaints concerning noise, traffic and other impacts from such uses in residential neighborhoods. Given the rate at which such new business and industrial development has been occurring, time is needed to study the issue and determine whether there should be amendments to the Town's zoning bylaws to address these and other issues.

ARTICLE 15

To see if the Town will vote to accept the provisions of Section 55C of Chapter 44 of the General Laws allowing for a Municipal Affordable Housing Trust Fund and to add a new section 2-28 to the Town bylaws that will govern the formation and operation of said Trust, as follows:
